You have been scheduled for an **Echocardiogram**

<b>Appointment Date</b>	
<b>Arrival Time</b>	

You have been scheduled for an **Echocardiogram.**

Your physician has ordered an Echocardiogram. This is a specialized ultrasound test to look at the structures and function of your heart.

The technologist will place three EKG electrodes on your chest and then will put gel on your chest. The technologist will then place the ultrasound transducer on your chest in several different areas.

You need to plan on being in the department for 45 minutes to an hour.

Please wear loose clothing. You may continue your medications as usual and can eat prior to the test.

If you have any questions, please feel free to contact the Cardiology Department at 625-0400 ext. 5514.

100 E. LeFevre Road – Sterling, IL 61081 – (815) 625-0400
